## GK REPORT

Br. Howard Gallivan

Dear Brother Knights,

We are taught that everything of a worldly nature has a beginning and an end, and as living beings we exist to experience the joy and sadness that result from subtle, unpredictable changes that occur in life. As I write this article for our bulletin, I want to acknowledge the sadness that we all feel at the passing of Brother Art Arsenault. It was unpredictable and heartbreaking. Anyone who has ever met Art knows that he was more than just a good man and good friend. He was much more! He was a great humanitarian who was sensitive to the needs of all and did his best to make this world a better place. A legacy he left us is the example he set, "to be active in making this a better world". Let us renew our efforts to do this in honour of him.

The Knights of Columbus will begin a new fraternal year on July 01, 2010 which will end on June 30, 2011. On behalf of the council executive and directors, I want to thank all of you for making the past fraternal year 2009/2010 a great success. Our council is successful because of the many members and wives who step up to the plate and who give of their time to assist in the numerous tasks we set forth. Thank you so much! We also appreciate and understand that there are many members who have priority commitments that prevent them from giving more of their time and we want to thank you for doing what you can when you can. Without your help we couldn't have accomplished what we have done. We need everyone!

Our council is successful because of the many members and wives who step up to the plate and who give of their time....

Without your help we couldn't have accomplished what we have done. We need everyone!

Our new fraternal year is going to be productive and fun.

This year we are planning on putting out a "Fraternal Year Event Calendar" which will enable you to see a long way beforehand what will take place and enable you to schedule your time to work at these events. Hopefully this will give more members an opportunity to participate. Another purpose for the calendar is to help us spread out activities and not overload events in a particular month. There is much to do and I know we will do well because of you!

The last quarter of this fraternal year has been amazing. I am almost afraid to summarize what the council accomplished for fear of overlooking an event.

- Our Membership Director, Mike Gallagher, led us

through our final membership blitz and we initiated 17 members for the total year -- recognized with an award at the State Convention.

- Our Youth Director, Shaun Tymchuk, led us through perhaps our most successful year in the Free Throw Basket Ball Tournament and put our recently purchased BBQ to use by cooking for youth events at our schools and the Diocesan Youth Development event.
- In addition to this we presented our scholarship awards at Holy Cross and merit awards at three local schools, and not to forget the rosaries and prayers cards we present to the children taking their First Communion. Thank you, Armand Bedard.

- Our Car Raffle chairmen Dale Tuepah and Howard Gallivan presented State with a Cheque for \$11,940.00 for ticket sales.
- Bill Coppens and Father Leo led us in the Dedication to our newly erected Memorial to Life and Bill also presented us with the best Third Degree our council has ever managed.
- In addition to all this, our council represented by Aubert Pereira coordinated a joint effort with other church groups to celebrate the “Year for Priests”, which was the highlight of year for our church community.
- In addition, there were the Roses for Life Sale, the Yard Sale, the Steak BBQ, and the Strawberry Social which all added money to our Treasurer’s Account which will enable us to give more than ever to Charity. Many Thanks to our Program Director Garry Davis and chairmen Phil Healey, Chris Huff and Garnet Huff for running these great events.
- To top all of this off, we elected a new executive under the expert direction of Brothers Hank Noonan and Walter Genereux . The list of newly elected and appointed officers to date is given later in this Newsletter

**Our new fraternal year is going to be productive and fun. How can we miss with these leaders and your participation!**

Vivat Jesus!

## **CHAPLAIN’S REMARKS**

**Fr. Leo Byrne**

**Brother Knights,**

**“If you don’t know what to do keep going to meetings...” Peter Maurin.**

We should be praying fervently for the leaders of the world who met for the G8 and G 20 in Canada this past month. I am not one of those Nay Sayers who condemn such gatherings.

There is something important about face-to-face community. Those who suggest the Internet alternative to G8 and G 20 would also “attend” Sunday Mass on TV or the Internet.

Peter Maurin - a co founder with Dorothy Day of the Catholic Worker Movement said, **“When you don’t know what to do keep going to meetings. That’s where the Holy Spirit came – at a meeting”.**

When the bishops of the Roman Catholic Church began their meeting in Rome in October 1962 many people yawned. Four years later (and now nearly 50 years later) no one is yawning.

I know part of your work in the Knights of Columbus is attending meetings. I am not usually a cheerleader of meetings, especially long meetings!!!

I am convinced when I hear Peter Maurin say, “The Holy Spirit came at a meeting”. Room D is not an upper Room but the Holy Spirit can reach there too!!

Chaplain,

Father Leo Byrne

## **OUTGOING PROGRAMME DIRECTOR’S REPORT**

**Br. Garry Davis**

My replacement as Program Director has been named so it is time for me to step out of the limelight. He is none other than Phil Healey. Over the past 2 years, Phil and his wife, Madeline, have hosted the Valentines dance which has been fairly successful. Phil also took over the job of organizing the set up, take down, and maintenance of the Nativity Scene from Br. Marvin Baker last year. I feel confident that Phil will do an excellent job in his newly appointed position as Program Director. He needs your assistance to successfully carry out his

mandate. I will always be available to help Phil whenever he needs assistance. You can never completely get rid of the hot potato man.

My final report includes financial statements involving our various events lately. We collected \$370.20 from the Roses for Life campaign during the first couple of weekends in May. This was followed by the Yard Sale in which we raised \$2,779.38 from sales. Our Steak Barbeque on June 5<sup>th</sup> resulted in a total income of \$1,309.50 after expenses. The success of any program is not only based on the amount of money that is raised. It is also based on how well it is received by the parishioners of St. Paul the Apostle and our membership. To round out the fraternal year we are putting on our annual Strawberry Social. I'm very pleased with the results of these activities as well as the other activities that have been put on throughout this fraternal year. This has been a very successful year for me and it has happened because of the many hours of hard work that you and your spouses have put into these projects. I can't begin to name all those who have offered their services. Please accept my sincere thanks for your help because it is greatly appreciated.

On July 1<sup>st</sup>, I will be taking on the responsibilities of Faithful Navigator of the Archbishop James V. Cleary Assembly here in Kingston. It is an honor that I was not expecting but I do intend to put my whole heart and mind into the performance of those duties. However I never intend to abandon Council #9652. I will continue attending the meetings and helping as much as possible in the scheduled programs coming up. Again I thank all those who have participated in the various programs put on over the past fraternal year. May God bless you! Vivat Jesus

## **INCOMING PROGRAMME DIRECTOR 2010-2011**

**Br. Phil Healey**

My brother Knights: As we begin a new fraternal year it is my hope that it will be a successful one. This will only be accomplished with the support of you, the members. The Activities Directors will be calling on you throughout the year seeking your help in carrying out the many functions that we have planned for our council. Please come forward and give them your assistance. Please consider taking on a chairman's' role when asked. Yes it is a lot of work! Yes we are all busy! But many hands make light work. If we all work together, the work becomes fun.

Brother Phil Healey, Program Director (2010-2011)  
Vivat Jesus!

Vivat Jesus

## **COMMUNITY EVENTS**

### **Parish Celebration – Year for Priests**

The parish celebration in connection with the Year for Priests went off successfully. It was organized jointly by the Knights, Catholic Women's League, Women's Group and Alpha, with, of course, the cooperation and assistance of Fr. Byrne. Fourteen priests from the Central Deanery attended, as well as Archbishop Spence. Br. Aubert Pereira raised a toast to the Priests, and Fr. Michael Reed of Blessed Sacrament, Amherstview, responded. The potluck supper was great, as are all such suppers.

The entertainment that followed was really excellent, and displayed the wealth of talent that exists in the parish. Marie Kotanko started off with a song. The Philippino Bibliawit Choir, including Br. Vincente Trinidad, entertained with three songs, sung so well. Then, the Portuguese Folk Dancers from our Lady of Fatima Church dazzled with their great dancing. Our own Br. Tony Godinho was right in there as one of the dancers. Following this, Br. Larry Raycroft gave us his own musical stylings, singing and accompanying himself on the keyboard. The final act was a sing-along led by Br. Chris Forster.

### **Brother Knights in the News**

Brs. Chris Forster and Tony Vella were honoured by the Algonquin and Lakeshore Catholic District School Board at its recent Recognition Dinner. Br. Chris received the Contribution to Catholic Education Award, while Br. Tony received the Katharine Award.

Chris, the coordinator of pastoral services at Holy Cross School, has led many social justice initiatives, is on the Archdiocesan Justice and Peace Commission, and leads the annual Holy Cross mission trip to Jamaica. For many years, our Council has donated towards the Jamaica trip.

Tony's award, named for the late Katherine Splinter, recognizes charitable efforts that honour the spirit of giving. Tony has given presentations about the life and work of his great uncle, St. George Preca of Malta. He also taught intermediate students to design and build furniture.

Congratulations to both Chris and Tony for this recognition of their efforts.

**In Respect of Life**

Last year Council 9652 placed a Memorial to Life on the front lawn, near the church sign. There was a formal dedication of this memorial in June, with Fr. Leo Byrne leading a short prayer service. As can be seen, attendees ranged from the very young to the older parishioners.

Aaron Gundert attended the Memorial to Life dedication, with his parents Nadia and Mike

### Editor’s Note      Br. Aubert Pereira

The last two months have been eventful. There have been several events sponsored by the Council (see Programme Director’s Report above). There have been two recent deaths, Br. Bryson Hughes and Br. Art Arsenault. Br. Art was involved heavily in Council, District and Parish. A past Grand Knight of Council 9652, current District Deputy of District #93, Chair of the parish Property Committee, active in Family and Pro-Life matters, he was a real influence for good in this parish. Our sympathies go out to Barbara and her family. Br. Bryson died after a long illness. Our sympathies to Ruth.

Last month I listed three new members who had just taken their 1<sup>st</sup> Degree, but there was no ‘photo. This was due to your editor’s ignorance/negligence, in that the picture looked good on the screen, but did not print well in black & white. So, this month, a new photo is published, courtesy of Hank Noonan. Thank you, Hank!

Because of the number of events during June/July, there are a lot more ‘photos available. So, there is an extra page to this Newsletter.

Last year our Council had its first Fish Fry to raise money for a parish in Nicaragua. It was so successful, that the event is being repeated – but this year it is a Council event.

**So, FISH FRY – Friday 27<sup>th</sup> August! Mark this date on your calendars!!**

The months of July and August are fairly uneventful re. Council activities. However, it is vacation time. So, to all of you going on trips, or staying close to home, I hope you have an enjoyable summer, and that we see you in September.

Vivat Jesus!

### ***Mission Statement***

The casket is shown entering the Church, with Barb and her family following.  
Our sympathies go out to Barb and her family.
